# How we performed over the years

**India's railway sector is charting an extraordinary expansion over the next five years creating both opportunity and momentum for enterprises like ours.**

## Dear Shareholders,

I extend my warm regards to you and your families, hoping this letter finds you in good health and high spirits. As Concord Control Systems Limited celebrates another milestone, I embrace this moment with gratitude, pride, and unshakeable optimism. Despite a “polycrisis” of climate change, geopolitical volatility, and shifting global trade patterns, our resilience, innovation, and your steadfast support have strengthened our resolve and our foundation.

India remains a remarkable story of stability and opportunity. The nation’s structural reforms, infrastructure momentum, and digital transformation are creating a fertile ground for growth. Global demand increasingly favors agile, responsible, and forward-looking partners—precisely the terrain Concord is navigating with an ethos of innovation, sustainability, and customer-centric excellence.

### Indian railways: a rising tide lifting all boats

India’s railway sector is charting an extraordinary expansion over the next five years – creating both opportunity and momentum for enterprises like ours. The Union Budget for FY 2025–26 allocated a commanding Rs.2.52 trillion to Indian Railways, spearheading rolling stock additions and infrastructure growth. Plans include the manufacture of 200 Vande Bharat and 100 Amrit Bharat trains, alongside 17,500 general coaches.

Crucially, new projects worth Rs. 4.6 lakh crore are slated for completion in the next 3–4 years, encompassing doubling, quadrupling, new line construction, and station modernisation. Capital expenditure for railways is expected to continue rising – possibly approaching Rs. 3 lakh crore – with a 15–20% increase projected in FY 2025–26.

These investments are powering transformative developments – multi-tracking projects worth over Rs. 11,169 crore, adding connectivity to 2,309 villages, and boosting freight capacity by nearly 96 MTPA, while conserving energy and slashing carbon emissions. Not to mention the iconic rail link from Kashmir to the plains – a spectacular feat of engineering that stands as a symbol of national integration and strategic uplift.

### Empowered for the future

This surge in railway modernisation creates an enabling environment for Concord Control Systems. Our deep expertise in coach and electrification components, our R&D capabilities, ISO-certified manufacturing, and trusted partnerships with Indian Railways position us strongly to align with this momentum. We are ready to scale, innovate, and respond with agility to a rapidly transforming rail ecosystem.

### Core strengths that drive us

Through strategic cost management, we achieved a Profit after Tax of Rs. 1,507.08 lakhs – our strongest performance in 14 years. Our order book is robust, and our focus on product quality, execution discipline, and cost-control remains unwavering.

Our evolution has been steady and purposeful from battery charger manufacturing in 2011 to a diverse portfolio of RDSO-approved products, supported by modern manufacturing units and strong R&D. Our marquee clients across railway zones and EPC majors reaffirm our credibility.

Strong governance and purpose-driven responsibility are our compass. Our operations are grounded in transparency and accountability, and elevated by impactful CSR and sustainability

initiatives. We remain committed to creating value that is both ethical and enduring.

### Looking ahead with confidence

The synergy between national investment in railway infrastructure and Concord’s capabilities offers a bright horizon. As urbanisation accelerates and India’s rail network expands and modernises, we are confident that we will not only grow – but lead. With innovation, integrity, and your trust, Concord Control Systems is poised to script a narrative of responsible, resilient growth.

Thank you for being a part of our journey.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered

Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibility of Management for the Standalone Financial Statements**

4. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the

accuracy and completeness of the accounting records, relevant to the preparation and presentation of financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

#### **Auditor's Responsibility for the Audit of Financial Statements**

5 a.) Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

b.) As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management

iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

v. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

c.) Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in i. planning the scope of our audit work and in evaluating the results of our work; and ii. to evaluate the effect of any identified misstatements in the Financial Statements.

d.) We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

e.) We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

6. As required by the Companies (Auditor's Report) Order, 2020 (the Order) issued by the Central Government in terms of Section 143 (11) of the Act, we give in the annexure a statement on matters specified in paragraph 3 & 4 of the order, to the extent applicable.

c.) In our opinion, the aforesaid stand alone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

d.) On the basis of the written representations received from the directors as on 31-Mar-2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31-Mar-2025 from being appointed as a director in terms of section 164(2) of the Act.

e.) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

g.) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(vi) Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued

by the Institute of Chartered Accountants of India. Those Standards and the Guidance 168 Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and

procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of

collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31-Mar-2025, based on the internal controls over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial reporting issued by the Institute of Chartered Accountants of India

##### b) Contingent Liabilities: -

As per the Accounting Standard 29 (Provisions, Contingent liabilities and Contingent Assets) notified under the Companies (Accounting Standards) Rules, 2021 which are applicable on the company in terms of Rule 2 of the Companies (Indian Accounting Standards) Rules 2021 notified under Companies Act, 2013 the

company recognize provisions only when it has a present obligation as a result of a past event it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reasonable estimate of the amount of the obligation can be made. Contingent Liabilities have been disclosed by way of notes in Notes on Account here below. Contingent Assets are not recognized in the financial statements.

**c) Use of Estimates:-**

The preparation of the financial statements in conformity with the GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities as at the date of the financial statements and reported amount of income and expenses for the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, Income tax and the useful lives of fixed assets.

Management periodically assesses using external and internal sources whether there is an indication that an asset may be impaired. Impairment occurs when the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the assets net sale price or present as determined above. Contingencies are recorded when it is probable that the liability will be incurred, and the amount can be reasonably estimated. Actual results could differ from those estimates

**d) Revenue Recognition**

a. Revenue from sale of goods is recognised when the significant risk and rewards of ownership of goods are

transferred to the buyer and are recorded exclusive of duties and taxes and adjusted for discounts (net) and returns.

b. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the firm and the revenue can be reliably measured.

c. Revenue from services is recognised pro-rata over the period of the contract as and when services are rendered and the collectability is reasonably assured. The revenue is recognised net of Goods and service tax.

d. Interest- Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

**e) Property, Plant & Equipment & Depreciation**

i) Fixed assets are stated at cost (or revalued amounts, as the case may be); less accumulated depreciation and impairment losses. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Financing costs relating to acquisition of fixed assets are also included to the extent they relate to the period till such assets are ready to be put to use in accordance with Account Standard 16.

At the end of each year, the company determines whether a provision should be made for impairment of loss on its fixed assets by considering the indications that an impairment loss may have occurred in accordance with Accounting Standard (AS 28 "Impairment of Asset") notified under the Companies (Accounting Standards) Rules, 2006 which are applicable on the company in terms of Rule 2 of the Companies (Indian Accounting Standards) Rules 2015 notified under Companies Act, 2013, where the recoverable amount of any fixed asset is lower than its carrying amount.

There exists no indication for the management to conclude that any of its cash generating units are impaired and accordingly no provision for impairment has been made in the financial statements

ii) The depreciation has been charged on Written down value method as per the rates derived from useful lives prescribed in schedule II of the Companies Act, 2013. The Depreciation on the additions during the year has been charged on pro rata basis.

As mandated in Para 7 of the Schedule II of the Companies, Act, 2013 a) the carrying amount of the assets as on 1st April 2014 is being depreciated over the remaining useful life of the assets as per Schedule-II b) where the remaining useful life of the assets is nil, after retaining the residual value the carrying amount has been recognised in the opening balance of retained earnings.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

#### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibility of Management for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, changes in equity and Consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of their respective companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design,

implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group and of its associates are also responsible for overseeing the financial reporting process of their respective companies.

### Auditor's Responsibility for the Audit of Consolidated Financial Statements

5.a). Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

b.) As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

i. Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls with reference to

Consolidated financial statements in place and the operating effectiveness of such controls.

iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management

iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern

v. Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

c.) Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

i. planning the scope of our audit work and in evaluating the results of our work; and

ii. to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

d.) We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

e.) We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
